4 bed home on large plot with ample room for your dream family lifestyle!

Brought to you by Exclusive Agents Chris and Shelli from Meridian Realty

This spacious solidly built family home with sunny bedrooms and living areas awaits your personal modernizing flair. Plenty of space to extend if required and create the outside living and pool area of your dreams on the North-West facing side of the property where there is an existing built-in braai. Situated on a shallow panhandle shaped large plot which creates privacy, this home boasts large light-filled living areas (lounge and TV room both with sliding doors to the patio, leading into a separate dining room) and a really spacious kitchen which consists of a scullery, main kitchen and laundry area (with washing machine and dishwasher point) at present, lending itself perfectly to create a completely open plan kitchen, living and dining space.
