Breathtaking stands available in Riverside perch, Heather Park

No Transfer duties. An Investment Opportunity for a Keen Developer not to be missed. Presently there is a huge demand for housing in George and there are very few plots for sale in this area. These four stands next to each other have one owner and can be purchased separately. Added advantage is that Municipal services are in place.

This rapidly developing suburb is close to all major indemnities, including, shops, gym's and the airport. The Property is situated in quiet surroundings; tree filled neighbourhood with mountain riverside views.
