An Exceptional Home. An Entertainers Paradise. Stunning large Open Spaces.

If you are looking for an exceptional home with lots of room to entertain and to spread out with a lively family, look no further. This home offers it all with large open spaces, a big garden and pool and an immaculate staff room for your live in nanny.

The entrance is private, yet elegant and prestigious leading you into the house with a large office room on the right and and a separate dining room on the left. It further takes you to a wide open plan kitchen and living area leading you right through to the extended patio, divided by a long row of stacking doors. This creates an amazing feature of openness and continuity, with the living area flowing into a lovely garden with a large pool, a built in boma, braai and a long outside bar table with TV, ideal for family fun and entertainment on a large scale.
