This modern contemporary home in Stilbaai definitely has the WOW factor! From the industrial cement finished ceilings, natural wood accents through out to the amazing entertainment spaces. The house was designed from the ground up to have south facing sea views and utilise the sun through the seasons. Also maximizing the entertainment spaces and combining the lovely greenbelt, mountain and ofcourse the 180 degree sea views. The spacious entertainment areas makes use of indoor and outdoor space perfectly. The large stacker and sliding doors that expand and contract your living space depending on your needs, keeping you entertaining and comfortable all year round, no matter the weather conditions. With two separate entertaining spaces on floors 1 and 2, there is more...
